I have a rule when it comes to maintenance of any kind. I don't ride it unless I've cleaned it myself. This applies to cars, horses, and a sweet tender lover. For you. I'd start with a pole polishing, followed by a nice long rub down. My only request is that you rinse me in whatever I want.

He's always said he wants to try butt stuff, but I wanted to make sure I'd have enough time to ease into it. Now that's the case and I can't wait to feel him stretching out each of my delicious holes.

Funny Bone: Humor can be the secret to sexual success

I looked across the crowded bar at the beautiful blonde. She had big tits which I thought would be nice to suck on. I walked over to her, not really knowing what I was going to do. She was busy staring at the muscled bouncer, an ape-like guy with no neck. When I got closer to her I nervously asked, "Hi, can I buy you a drink?"

Without even looking at me she immediately replied, "Fuck off, creep." So I did what anyone else in my situation would do: I went home, got the hand lotion, and stroked my cock to a not-do-satisfying cum.

That chick was the last in a particularly long line of strikeouts. I decided I had nothing to lose by changing my approach in my quest for pussy, because I couldn't do any worse than I had been. Maybe just a change in style would improve my batting average— or at least give me a chance to take a few swings. I decided to try a bit of humor.

One night, I was in a small club and spotted a tall, good-looking woman. She was well proportioned with a beautiful smile. In heels she was a good five inches taller than me, but I figured what the hell and walked over to chat her up.

With unusual bravado, I decided to play on the height difference and asked, "Tell me, do you ever go out with dwarfs?" To my amazement she laughed. Sensing I might have a remote chance of charming my way into her pussy, I continued. "I was wondering if I might buy you a drink, wax your car, or simply grovel at your feet..."

She laughed again, and said, "Sure, my car could use some waxing." We didn't end up in the parking lot that night, but I did begin to date her. On the second date I took her back to my apartment, and I want to tell you that this amazon goddess fucked my brains out. (Looking back, I am sure my success was largely due to the fact that I made her laugh.)

Encouraged by my initial success, I began to work on other original approaches. I took lines from movies, lines from comedians' acts, even lines from books. All of these I gave a little twist to, to make them funny and further my cause. I even did impressions to amuse the ladies. I tried anything I could, which I thought would be entertaining. I found that the more offbeat approaches worked best for me, like: "Excuse me miss, but I seem to have misplaced my Purple Heart medal. But don't worry; I have another one at home."

While my batting average began to improve, there were still occasional dry spells. Humor played a part in getting me through those times when I needed to utilize the services of a massage parlor. Normally, if you want anything more than the basic massage at those places, the girls require "tips" of 10 dollars all the way up to 100 additional dollars. I have found that by being nice, and getting them to laugh during the massage, either they don't charge me at all for the extras, or the additional amount is nominal.

I began with small talk, throwing in bits of nonsense like: "I was married for a while; it didn't work out, so I bought my ex-wife a one-way plane ticket to Siberia." Or, "My wife used to say 'Sex is dirty.' Do you know what it's like to make love and be sprayed with Lysol?" When the masseuse is laughing, she's being entertained and enjoying what she's doing all the more. This seems to personalize the experience for her as well as you, and it becomes less of a 'business' proposition.

Humor has also provided me with a means for dealing with frustration. Once I took a date to a party, and after we had been there a few minutes she disappeared. I hadn't seen her for over an hour and began to get worried. Finally, I went upstairs and discovered her in bed with the host of the party. At first I was angry and wanted to shoot them both, but somehow my sense of humor returned. I casually interrupted their fucking with: "Excuse me, Rick, but I couldn't help but notice your penis is in my date. Does this mean she won't need a ride home tonight?" The embarrassment those two suffered gave me more satisfaction than striking a blow would have.

Another time I was in the middle of banging a very athletic chick who was thrashing to and fro, yelling, "More, more, I want more!" I was in her all the way, and all I could do was laugh and tell her, "I'm sorry, there is no more."

One thing I have learned about humor is that like everything else, there is a time and place for it. Sometimes, attempts at humor have backfired, like the night I approached a well-endowed little blonde and said, "Hi. Would you like to take me home and hurt me?" She said, "Why wait?" and kicked me in the shin! Or when I told another woman, "You're beautiful; I want to have your child.'' She turned around and said, "Sure, you can have my eight-year old."

One time, I almost spoiled a beautiful evening by being too silly. After going through a

variety of very pleasurable positions, I was fucking Monica doggie style. All of a sudden she started screaming, “Fuck that cunt!”

For some crazy reason this reminded me of my old high school football days, when the cheerleaders would yell, “Hold that line!” I began to laugh, which Monica was unable to understand. She asked me, “What’s so funny?”, and all I could do was giggle hysterically. The more I tried to stop, the worse it got. Very soon Monica got pissed off, especially when I started to shrink from laughter. Our pleasurable union came to a screeching halt until I was able to regain some self-control. That taught me to keep my mind on the subject at hand.

In addition to helping me meet chicks and deal with frustration, humor has aided me in coping with strange sexual situations. One summer I was dating a college girl in her twenties. On our first date it was quite apparent that she was turned on by me, as I was by her. We went back to her apartment after seeing a movie, and sipped some wine while getting to know one another. Eventually she led me into her bedroom.

We both undressed and I couldn’t wait to climb on top of her and stick my cock in her warm, wet pussy. However, you know how sometimes while you’re fucking, a “vacuum” is created, and you hear sounds like a fart coming from the woman’s pussy? Well, hers was making that noise before I even got to the bed! At first this startled me, and I tried to gag it with my hand, but that did no good. Then I tried to slap it a little bit, but this thing wouldn’t shut up. I mean, it was barking so loud I didn’t know whether to fuck it or walk it.

Another strange, but funny situation occurred when I was with Jessie, a 27-year-old stewardess. Jessie, a tall, bosomy brunette, had a great sense of humor herself. The first night we had sex we were high and both very excited. We fucked three times that night, and before each time, she would insert a tube of contraceptive foam.

The next time we got together Jessie reached into her purse and pulled out over a half dozen tubes of contraceptive foam. She began stacking them on the top of my stereo speaker. I looked over at this little pile and said, “Jessie, are you expecting company? I mean, hell, I’m no Superman.” To my surprise, she just laughed and began singing: “Once there was this little old ant, thought he could move a rubber tree plant.”

All of which proves the old adage, “You can get more pussy with laughter, than dinner and a show.”

Getting caught cheating on your mid-terms has it's cons, but it can have some unlikey pros. To make up the test, I have to be tutored, but I refuse any help other than from my professor himself. When we started tutoring, I guess I was a little too scantily clad because he couldn't take his eyes off me, nor mine off him.

sun room succulence

evanna

With the weekend here and spring in full swing one would be a fool not to take full advatage of it all. The only thing better than beautiful weather is a beautiful girl taking it all in, and what started as a nice afternoon nude sunbathing quickly turned into a delectable dicking. She's sure to have enough lotion.

(888) 673-8777 OVER 18 TO CALL

Rebecca was right, Janie thought. I am a slut . . . Pussy, dick, it didn't matter to her. She liked both. Tonight's action was looking more and more like the latter. As soon as Keith returned from the restroom she was going to make her play. The guy – a total stranger she had met less than two hours ago – had been plying her with drinks. No doubt he was eager to get her in the sack.

His or mine? Janie wondered.

"Whichever one is closest," she muttered to herself.

Time was of the essence. Janie's pussy was overdue for a thorough pounding. It had been almost two weeks, far too long for a gal with her ravenous appetite.

"Sorry it took so long." Keith returned to the barstool beside hers. "You should've seen the line."

"Everything come out all right?"

"Just fine," he replied.

They lapsed into silence. A local cover band performed in the adjoining room. Most of the bar's patrons had already gravitated to the show. But Janie hadn't come here for music, nor had Keith. His intentions seemed clear enough.

"Another round?" he asked.

"I don't think so," Janie told him. Then, "You want to get out of here?"

His smile said it all.

Keith followed Janie to her place – the closer of the two – and parked on the street. "Nice," he said after following her inside.

Janie detected a hint of sarcasm. Her one bedroom apartment was modest. The kitchenette sink was filled with dirty dishes. Her stained carpet was in dire need of vacuuming. Had he bothered to look in her tiny laundry alcove he would've seen – and smelled – piles of dirty clothes.

Janie worked long hours. Most nights she came home too tired to prepare a proper meal, much less clean house. Still, she always managed to summon the energy required for anonymous, no strings sex. This had led to the dissolution of her last relationship. Rebecca, deeply hurt by her countless transgressions, had finally summoned the courage to pack her bags and hit the road; though not before giving Janie a venomous tongue lashing. You're nothing but a selfish slut! Good riddance, Janie!

Now Janie shook a small baggie of weed. "You smoke?"

"It's been a while," Keith said.

He regaled her with a tale of collegiate drug use. She plucked a beer from the fridge, proffered it, then joined him on the couch.

Janie rolled a small joint. She got high; which made her even hornier. She didn't share the spliff, and Keith didn't seem to mind. He was quite content with his cold one; indeed, he had tipped his head back and raised the can to his mouth when Janie started rubbing on his crotch.

Keith became hard in an instant. Janie took the empty can from him, placing it on the coffee table where it tipped over almost immediately.

She unzipped him and liberated his cock. Janie spat on it, no easy task as the weed had given her quite the cotton mouth. Still, she managed to coat him with saliva before gobbling him greedily. She sucked and slurped his schlong, hoping Keith appreciated her efforts, hoping he paid her back by fucking her good and proper.

Janie gave him the proverbial royal treatment, nibbling and licking his balls while stroking his thick shaft. She slid her hand back and forth, pumping him with expert skill, priming his glistening piston for her wet cunt. Keith moaned in appreciation, moaned and groaned and ran his fingers through her close cropped red hair.

Finally Janie raised her head from his lap. "Are you ready to fuck me?"

"You know I am," Keith responded.

It wasn't long before she had assumed the doggy position right there beside him. Keith got up, kicked off his shoes and jeans, and grabbed her hips. He pulled her to the edge of the sofa, positioning her stellar ass so that he could pound her from behind. Janie peered over her shoulder, licking her lips lasciviously as he slid inside her.

"Yeah, baby. Your big dick feels so good . . ."

Keith thrust his pelvis, plundering her pussy with all nine inches. His balls slapped loudly against her ass with each jab, resonating throughout the small apartment. He fucked her like this until she reached back and squeezed his hand, indicating that it was time to mix things up.

Standing there above her, Keith stroked himself nice and slow while Janie flipped onto her back. She grabbed her ankles and spread her legs, splaying her pussy for the next chapter of their torrid tryst.

Keith mounted her with little fanfare, burying his turgid member inside her snug chute. Janie wailed with pleasure, giving her neighbors something to think about. Keith screwed her like a man possessed, banging her box with ferocity. Janie wrapped her legs around his trim waist, digging her nails into his muscular back as she did so, urging him to plunge deeper and harder. Keith responded appropriately, tapping her hot core with a seemingly endless barrage of powerful strokes.

Janie loved it. Still, she had yet to ride him. And bouncing up and down on a hard cock was one of her favorite pastimes.

"I want to ride you, baby," she uttered breathlessly.

Keith granted her request with haste, pulling out and reclaiming his seat, sinking into the spot he had occupied while swilling beer and having his dick sucked. Janie turned around and climbed aboard, skewering her cunt in the reverse cowgirl fashion. She grinded her hips with maniacal glee, slamming them down again and again, prompting Keith to parry with a series of formidable jabs.

Janie reached the summit of pleasure. Orgasmic heat flooded her system, ripple upon ripple of toe-curling bliss. Once this had subsided, she disentangled herself and knelt before Keith, finishing him with a spirited handjob.

Before he left, Janie thought about giving him her number, then decided against this. She didn't want to give Keith the wrong idea. A relationship – even one of the most casual variety – didn't interest her, not now, not so soon after everything had blown up with Rebecca. Janie liked her freedom.

A joint coupled with sex typically knocked her out, sending her into a deep, dreamless slumber. Not tonight, though. Janie tossed and turned. She couldn't stop thinking about Rebecca. Maybe she's working tonight, Janie thought.

"Only one way to find out."

She slid out of bed and padded to her desk in the corner. Then she fired up her computer and pulled up the cam site.

She was in luck!

Her ex-girlfriend was burning the midnight oil in cam land . . .

"Come on, Janie," Rebecca said from thousands of miles away. "You know you want to taste me again . . ."

Janie sat there at her computer, trying like hell to show some fiscal responsibility, a rather tall order as Rebecca was most convincing, if not downright irresistible. Still, the credits required to purchase her ex-girlfriend's dildo – used, of course – would break her bank. But Rebecca was right. Janie did want to taste her again.

Masturbating while Rebecca played with herself in private mode was great, but to actually savor the

sweetness between her legs; well, just thinking about it made Janie wonder why she had treated Rebecca so shabbily in the first place.

Because you're selfish, Janie thought. You have no self control . . .

And this was true. Rebecca had told her as much before walking out of her life and relocating to the West Coast; where she currently cammed for extra money. Janie had discovered her by chance one night while searching for a suitable model to help her get off. The experience had been quite a shocker. Seeing her ex-girlfriend as a cam model had been a bona fide mind boggler. After the initial jolt had subsided, she had entered Rebecca's chat room, thus launching the "cyber phase" of their relationship.

Rebecca had forgiven Janie. Not enough to pull up stakes and return – Rebecca was quite content with her new life in California – but she no longer felt hatred for the woman who had cheated on her. At least this is what she had said.

Janie was most thankful. She had become quite a devotee of Rebecca's private shows. The present performance was one of her best to date . . .

Janie sat with bated breath, utterly transfixed by the images on her glowing screen. Rebecca reached into her nightstand drawer and produced a dildo, playfully moving the plastic phallus between her tits, up and down, before sliding it across one nipple, then the other.

Janie's pulse quickened.

"Five hundred credits," Rebecca tempted, "and I'll do it, baby. After I'm done fucking myself, I'll wrap it in plastic to preserve the flavor, and mail it first thing in the morning . . ."

Janie thought about her bank balance.

No, she reasoned, don't do it!

Save your money for a rainy day; because emergencies happen when you least expect them: unexpected car repairs and unforeseen medical bills and—

"I'll send it express mail, Janie. You'll have it in no time."

"Okay, okay." Janie caved. "I'll do it."

Several clicks of her mouse finalized the deal. Purchase complete.

"I knew you couldn't resist," Rebecca told her. "Now sit back, and enjoy the show.

Janie did just that, removing her panties as Rebecca lay back in bed and parted her legs. Janie's heart rate revved as her ex-girlfriend lowered the dildo slowly, teasingly. Finally Rebecca plunged the toy into her pussy, working it in an out with increasing speed. Janie couldn't wait for her order to arrive, couldn't wait to lick Rebecca's nectar.

Not exactly like old times, but close.

Three days later found Rebecca sitting on the edge of her bed and leering at the macabre spectacle on her laptop. Less than a minute remained of the private cam 2 cam show, precious seconds she relished like the last few drops of a fine wine.

Janie was naked, of course, and sprawled atop her bed. The dildo rested in her open palm. Her arm was outstretched. She was very still, very dead.

Rebecca recalled sleeping in that very same bed, sleeping and reading and smoking cigarettes and making love. A lifetime ago, she thought.

When Janie had stumbled into her chat room eight months ago, identifying herself by name, Rebecca had fought the impulse to block her traitorous ex-girlfriend. Something, a desire to gain control of Janie, to turn the tables in a most diabolical way, had changed her mind. Despite what she had said, Rebecca had never forgiven Janie. As far as she was concerned, her ex-girlfriend's sins were unpardonable.

Janie was a hopeless case, a toxic bitch of the worst kind. And toxic bitches had to pay. What better way than sucking on a dildo dipped in poison .

brea & denise

Brea has been my best friend ever since I can remember, and since we became adults, we decided to start acting accordingly. Why can't friends fuck now and then? Just don't be weird about it. Everyone should have a "no questions asked" kind of friend. It's worked absolutely swimmingly for us.
